|   | FROM   | :        | Chief,    | Informatio | ]<br>on Handlin | g Division, | ICS |      |
|   | SUBJECT  |          | : Federal | Software   | Exchange        | Program     |     |      |
| • |  |          |           |            |                 |             |     |      |
|   | 1. Thank you for the copy of the letter dated 21 September 1976 from GSA to D/ODP on the above subject.  2. I will serve as the continuing point of contact for the IC Staff in reporting to you on such matters.  3. There is no software that has been developed for the IC Staff up to this time which would be appropriate for listing in the Federal Software Exchange Catalog. |          |           |            |                 |             |     |      |
|   |  |          |           |            |                 |             |     |      |
|   |  |          |           |            |                 |             |     |      |
|   |  |          |           |            |                 |             | 1   | STAT |
|   |  |          |           |            |                 |             |     |      |
